

When you're in a dispute,
don't depend on luck.

Depend on KPMG.

In a dispute, the stakes to your reputation are high. Not to mention the costs, time and resources involved. So, why take chances? Instead, turn to a trusted adviser you can count on.

You need the skills and technologies, depth of experience and global resources necessary to provide you with solid, practical advice and guidance to help prevent or manage disputes.

With KPMG Forensic's systematic approach, well-established methodologies and advanced technology, our highly qualified team of professionals is well equipped to help tackle complex issues.

Don't rely on chance. Call Gert Weidinger, Head of Forensic Austria, on +43 (732) 6938-2107 gweidinger@kpmg.at
