Unauthorised accommodation agents

- You travel at your own risk, and you agree that the IBA cannot be held responsible if you contract a communicable disease during the conference or after returning from the conference.
- You agree to the extent permitted by law that you shall not hold IBA responsible for: any travel costs incurred for travelling to and from the conference; any travel costs that may be irrecoverable due to the cancellation or postponement of the conference; any losses or liabilities associated with contracting a communicable disease whether on the way to, during or after the conference.
- You agree that, if asked by the relevant local or national authorities, the IBA has permission to pass on your personal information and contact details to those authorities should contact tracing be required.

Promotional literature

Please note that no individual or organisation may display or distribute publicity material or other printed matter during the Conference, unless by prior arrangement with the IBA. Organisations and companies wishing to discuss promotional opportunities should contact the IBA Sponsorship Department at sponsorship@int-bar.org.

No deductions or withholdings

All fees payable to us by you in accordance with the terms contained in the 'Information' section shall be paid free and clear of all deductions or withholdings whatsoever.

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this 'Information' section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have been had no such deductions or withholdings been required.

Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed, and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

33rd Annual IBA Communications
and Competition Conference.**

WilmerHale's Cybersecurity and Privacy and AI Practices represent sophisticated, high-profile clients on a wide range of challenges—from routine matters to cutting-edge issues where the law is unclear, and the enforcement risks are high. Our internationally recognized team, composed of lawyers from different practice areas and offices, possesses a mix of counseling, regulatory, litigation, enforcement and transactional knowledge. We regularly engage with regulators that—with increasing vigor—are exercising oversight and enforcement powers on the privacy, cybersecurity and communications practices of the companies under their jurisdiction.

Our Antitrust and Competition Practice has secured antitrust clearance for hundreds of complex mergers and joint ventures, helped clients avoid fines and prison terms in many cartel investigations, and won numerous victories for clients in private and government litigation. Many of our partners and senior counsel have served in high levels of government in the United States or Europe, and all have a wealth of experience representing clients across the full range of antitrust issues.
