### IBA best practices policy for attendees, exhibitors & sponsors

IBA provides opportunities for sponsors to have direct exposure to conference attendees during the sponsored conference defined in this document. All conference sponsors are expected to abide by the following policy: (1) conference sponsors will not detract from any other company's investment by competing with the sponsored event, e.g., the hosting of an event at the same time as an IBA sponsored event; (2) conference sponsors will not interfere with another sponsor's or exhibitor's communication with an attendee communication, either directly or indirectly, e.g., the distribution of brochures or other collateral outside of a designated area/exhibit booth. These and other similar actions will be considered unacceptable and will be prohibited except with the explicit written permission of IBA. All attendees, regardless of whether they sponsor, exhibit or network at an event, are subject to the guidelines of this policy. Attendance at the conference signifies agreement to this policy and subsequent consequences if violated.
