Invoicing
We are now issuing pro-forma invoices rather than final invoices as we recognise income on a cash receipts basis, as such we cannot issue an invoice until the pro-forma invoice is paid. This is a recognised practice by HMRC as per guidelines published in 1970 (see below) and allows us to comply with the VAT regulations imposed on us by the UK authorities. Pro-forma invoices will be sent within 48 hours of the booking being placed. The invoice and receipt will be issued as soon as payment is received, the pro-forma invoice contains all the details that would be included on an invoice, including the VAT rate charged it just has the words pro-forma instead of invoice.

HMRC Published Guidelines (since 1970)
If you need to issue a sales document for goods or services, you have supplied, but neither you issue a pro-forma invoice. A pro-forma invoice IS a valid invoice requiring your payment. If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this ‘Information’ section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement or make a deduction of any such withholding.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have had no such deductions or withholdings been required.
