The Chairman of the Credentials Committee shall send details of the complaint to the Member Organisation and shall afford the Member Organisation an opportunity to reply in writing to the complaint. Such reply must reach the Chairman of the Credentials Committee within 28 days of the notification of the complaint to the Member Organisation. The Credentials Committee shall afford the Member Organisation, and the person or organisation which made the complaint (the "*Complainant*") an opportunity of an oral hearing into the matter at the next convenient meeting of the Credentials Committee. Both the Member Organisation and the Complainant shall be entitled to present evidence and make submissions in the matter to the Credentials Committee

After the Credentials Committee has completed its consideration of the evidence and submissions made to it at the oral hearing it shall either dismiss the complaint or make a report to the Council recommending the suspension or expulsion of the Member Organisation. The Member Organisation shall be entitled to appear at the meeting of the Council at which the report of the Credentials Committee is tabled and make representations to the Council as to why the proposed suspension or expulsion should not be implemented. No further evidence shall be heard by the Council, but if the Council is satisfied that fresh material evidence has become available since the hearing before the Credentials Committee, it may direct the Credentials Committee to re-open the oral hearing in order to consider such fresh evidence. The Credentials Committee shall consider such further evidence together with any rebutting evidence which the Complainant may wish to adduce at the next convenient meeting of the

Credentials Committee at which meeting the Complainant and the Member Organisation shall be entitled to make further submissions. Following its consideration of such evidence and the submissions made to it, the Credential Committee shall either dismiss the complaint or present a further report to the Council recommending the suspension or expulsion of the Member Organisation.

3.20.2.1 At the direction of the Secretary-General for non-payment of any sum due to the Association; or

The Chair(s) of the Professional Ethics Committee shall thereafter promptly form a sub-committee (the "*Professional Conduct Subcommittee*") composed of such Chair(s) and three additional members of the Professional Ethics Committee chosen by such Chair(s) for the purpose of considering such complaint. The Professional Conduct Subcommittee shall afford the Individual Member an opportunity to reply in writing to the complaint. Such response must reach the Chair(s) of the Professional Ethics Committee within 28 days of the sending of the notification of the complaint to such Individual Member. If, on consideration of the Individual Member's response, and any other materials the Professional Conduct Subcommittee may consider to be relevant, the Professional Conduct Subcommittee is satisfied that the complaint is justified, the Professional Conduct Subcommittee may suspend or expel the Individual Member from membership in the Association. The Individual Member shall not be entitled to an oral hearing. Notification of the suspension or expulsion shall be sent to the Individual Member in writing by the Secretary General.

The Individual Member shall be entitled to appeal in writing against the suspension or expulsion within 28 days of the date on which notification is sent to the Individual Member. Membership

- 4.3 The members of the Council shall be:
 - 4.3.1 the Officers;
 - 4.3.2 any Honorary Life President, any Honorary Life Member of the Council appointed before 1983, and any Honorary Life Member of the Association;

- 4.4 The Council may co-opt for such term not exceeding four years as the Council may determine any person provided that:
 - 4.4.1 at any time there shall not be more than six co-opted members nor more than two co-opted members who are members of any one Member Organisation; and

- 4.4.2 any motion for co-option must be approved by the affirmative vote of not less than two-thirds of the members of the Council entitled to vote present in person or by proxy and voting at a meeting of the Council...

Voting

- 4.8 Except as herein otherwise provided, all decisions of the Council shall be taken by a simple majority of the Council entitled to vote, and such vote may be taken, as directed by the President, either (a) in person or by proxy by those voting at a meeting of the Council, or (b) by electronic ballot solicitation of the Council. Any voting for the election of Officers and Other BIC Officers done through electronic solicitation shall be held open for no less than 20 calendar days and in the event of a second round of elections of Officers or Other BIC Officers for no less than 10 calendar days and shall be conducted through a secure process that identifies the Member Organisations or Councillors entitled to vote. If a meeting of the Council is conducted as a “hybrid meeting” or a “virtual meeting” pursuant to Article 4.23, a Councillor participating by means of electronic communication shall be deemed “present in person,” as that term is used in this Article, if said Councillor accesses the voting platform at any time before the deadline for the casting of the relevant vote — irrespective of whether a vote is, in fact, cast by said Councillor — or the Councillor accesses the virtual room or dials into the video conference via telephone during the scheduled meeting. Unless specified otherwise in a by-law, a Councillor participating by means of electronic communication “abstains” from a vote by accessing the electronic voting platform without casting a vote or by submitting an electronic ballot without making a selection in the relevant field.
- 4.9 Subject to Article 4.13.6, Councillors appointed by a Sustaining Member Organisation shall be entitled to attend and speak but not to vote unless (and then only for so long as and to the extent that) either (a) in the case of a Sustaining Member Organisation from a single country, a Full Member Organisation from the same country has notified the Secretary-General that they may cast any of the votes that could otherwise be cast by the Councillors appointed by that Full Member Organisation; or (b) in the case of a Sustaining Member Organisation whose members are located in several countries, any of the organisations in those countries which are or could be (if they applied) Full Member Organisations have notified the Secretary-General that they may cast any of the votes that could otherwise be cast by Councillors appointed by those organisations. In either such case, the Councillors appointed by the relevant Sustaining Member Organisation shall be entitled to cast such votes and Article 4 shall be construed accordingly.

- 4.10 Councillors who are Deputy Secretaries-General and Councillors who are Honorary Life Members of the Association shall not, as such, be entitled to vote on any matter.
- 4.11 Councillors (and their proxies) appointed by a Member Organisation which, by the seventh day before the relevant meeting, has not paid its subscription due for the then current year (or in the case of a meeting before the end of March in any year, due for the preceding year) shall be entitled to attend and speak at any meeting of the Council, but (unless the Council decides otherwise before the vote is taken) not to vote. The same rule shall apply to individual Councillors who, by the seventh day before the relevant meeting, have not paid their subscription due for the then current year (or in the case of a meeting before the end of March in any year, due for the preceding year). The same applies *mutatis mutandis* to elections by electronic ballot solicitation, the relevant time being the seventh day before the first day on which the ballot through electronic solicitation is open for voting.
- 4.12 Subject to Article 4.11, only Councillors appointed by a Full Member Organisation or (if permitted pursuant to Article 4.9) a Sustaining Member Organisation shall be entitled to vote on the election of the Chair, the Vice-Chairs and the Officers-at-Large of the BIC.
- 4.13 If so determined by the Chair of the meeting or required by a Councillor present in person or by proxy, and entitled to vote, a decision of the Council shall (subject to Articles 4.11 and 4.12) be taken as follows:
- 4.13.1 subject to Articles 4.9 and 4.13.6, the two Councillors appointed by each Full Member Organisation shall between them have one vote for each 1,000 or fraction of 1,000 of its members (determined as on 31 December prior to the meeting of the Council) up to a maximum of ten votes. Such votes shall be cast by its Representative Councillor unless its President (or other senior elected office holder) is present or has specifically appointed a proxy, in which case such person may cast such votes instead;
- 4.13.2 each of the Chair, Vice-Chair and Secretary-Treasurer of the LPD shall have ten votes and each of the Chair and Secretary-Treasurer of the SPPI shall have fifteen votes, save that:
- a) on any Reserved Matter they shall between them have that number of votes as shall be equal to the number of votes which could be cast by or on behalf of Councillors appointed by Member Organisations who are present in person or by proxy and entitled to vote; and
- b) on any election of the President, Vice President or Secretary-General they shall between them have that number of votes as shall be equal to 40 per cent of the number of votes which could be cast by or on behalf of Councillors appointed by Member Organisations who are present in person or by proxy and entitled to vote;
- 4.13.3 each other Councillor (save as provided in Articles 4.9 and 4.10) shall have one vote, except on any Reserved Matter or on any election or on any proposal to amend this Constitution, in which cases they shall not have a vote;
- 4.13.4 the votes referred to in Articles 4.13.2 (a) and b) shall be cast by the senior officer present of the LPD and SPPI; the senior officer of the SPPI having 15 per cent of such votes and the senior officer of the LPD 85 per cent;

- 4.13.5 any decision on a Reserved Matter must be by a majority of not less than three-fifths or, in the case of a decision to which Article 12 applies, two-thirds of the votes cast by such Councillors as, being entitled to do so, vote in person or by proxy;
- 4.13.6 in the case of a country where there is more than one Full Member Organisation, the Councillors appointed by the Full Member Organisations in question shall together be entitled to a maximum of 20 votes. In cases to which this Article applies, the Full Member Organisations from that country shall certify to the Council from time to time how the votes are to be divided between them, but if at any meeting of the Council no such certificate is in force, the Council shall determine the allocation of votes. Where no Councillor and no proxy appointed by a Full Member Organisation to which this Article applies is present at a meeting, then any votes that such Councillor or proxy would have been entitled to cast shall be allocated to the Councillors or proxies appointed by any other Full Member Organisation from the country concerned who are present at such meeting in such manner as may be agreed between such other Full Member Organisations or, in default of agreement, determined by the Council. Where there is no Full Member Organisation from a given country, the Councillors appointed by any Sustaining Member Organisation from that country shall be entitled to vote at meetings of the Council as if it were a Full Member Organisation from that country. If there are two or more Sustaining Member Organisations from that country, then the Council shall decide which Councillors appointed by one or more of them (subject to a maximum of three) shall each be entitled to exercise the right conferred by this Article and in what proportions.
- 4.13.7 the Chair of the meeting shall announce to the meeting before any vote is taken pursuant to this Article 4.13 the persons entitled to vote and the votes which they are entitled to cast.
- 4.14 In the case of an equality of votes on any matter requiring a simple majority the President or other person chairing the meeting shall have a casting vote, whether or not that person is otherwise entitled to vote on the matter.

Observers

- 4.15 Upon the invitation of the Management Board or the Council, any international organisation having purposes similar or allied to those of the Association may be represented by observers at a Council meeting. Observers may be empowered by the President to attend and to speak but shall not be entitled to vote at Council meetings. - 4.17 The Council shall also meet on at least one other occasion in each year at such place as may be determined by the Management Board unless the President (after consultation with the Management Board) shall determine that to do so is unnecessary and would be unduly

burdensome, either for the Councillors or for the financial resources of the Association. For the avoidance of doubt, such a meeting may be held by means of electronic communication in accordance with Article 4.23 and to the extent permitted under Section 603(a) of the New York Not-for-Profit Corporation Law, New York Executive Order 202, or otherwise under New York law.

- 4.18 The Council shall also meet at such other times and places as may be decided by the President or by the Management Board, or upon a written request of a one or more of the Constituents or by Councillors appointed by Full Member Organisations entitled pursuant to Article 4.13.1 to cast at least 50 votes. For the avoidance of doubt, such a meeting may be held by means of electronic communication in accordance with Article 4.23 and to the extent permitted under Section 603(a) of the New York Not-for-Profit Corporation Law, New York Executive Order 202, or otherwise under New York law.
- 4.19 Should any Councillor be prevented from attending a Council meeting by reason of government action effectively denying such Councillor access to the country or other territory in which the meeting is to be held, no decision (except pursuant to Article 3.20) shall be taken at any such meeting which could adversely affect that Councillor or, where he is appointed by a Member Organisation or Constituent, that Member or Constituent.
- 4.20 The President, or in his absence the Vice-President, or in both their absences the Secretary-General or, if he is not present another Officer chosen by those Officers present, or if no Officer be present, then a member of the Council elected by the Council shall preside at meetings of the Council.
- 4.21 Notice of the time and place of, and all material items on the agenda for each Council meeting shall be transmitted not less than 45 days before the meeting to all Councillors and to all Member Organisations, to such address (if any, including electronic mail address or fax number) as shall have been notified to the Secretary-General for this purpose (but so that it shall not be necessary to transmit more than one notice in more than one manner), but the accidental failure to transmit or the non-receipt of any such notice shall not invalidate any of the proceedings at any such meeting. In the event of a “virtual meeting” in accordance with Article 4.23, no less than 14 calendar days of advance notice shall be required. In the event of a “hybrid meeting” in accordance with Article 4.23, no less than 21 calendar days of advance notice shall be required.
- 4.22 Any Member Organisation, the LPD or the SPPI may appoint through any of its Councillors pursuant to Articles 4.5 and 4.13.2 a proxy to attend and vote on its behalf instead of such respective Councillors at any meeting of the Council, with power of substitution by the proxy in the case of emergency, provided that:
 - 4.22.1 the proxy presents written evidence of its, his or her appointment to the Secretary-General;
 - 4.22.2 the proxy for (a) a Member Organisation, is either another Member Organisation, provided that no Member Organisation shall be the proxy of more than [two] other Member Organisations and further provided that the same persons may attend and vote for the Member Organisation having issued the proxy as may attend and vote for the Member Organisation appointed as proxy or a Member of the Legal Profession of the appointing Member Organisation’s country, and, (b) the LPD or SPPI is an Individual Member that is also a member of such Constituent;

- 4.22.3 all appointments of a Member Organisation as a proxy for other Member Organisations shall be void in the event a Member Organisation presents written evidence of more than two such appointments in accordance with Article 4.22.1;
 - 4.22.4 no proxy shall be appointed otherwise than for a single meeting of the Council, including any adjournment thereof;
 - 4.22.5 any proxy issued by a Member Organisation, the LPD or the SPPI may be revoked at any time by written notice through any of the Councillors pursuant to Articles 4.5 and 4.13.2, as the case may be, to the Secretary General;
 - 4.22.6 no proxy or substitute thereof may attend or vote on behalf of a Member Organisation, the LPD or SPPI if such Member Organisation or Constituent attends and votes through any of its respective Councillors pursuant to Articles 4.5 and 4.13.2 at the respective meeting of the Council;
 - 4.22.7 the power of substitution by the proxy shall be subject to all restrictions pursuant to this Article 4.22.
- 4.23 The Management Board may, in its sole discretion, determine that any meeting of the Council shall be a “hybrid meeting” held both at a physical location and allowing participation by means of electronic communication and/or by online voting platform, or shall be a “virtual meeting” not held at any physical place, but held instead solely by means of electronic communication and/or by online voting platform to the extent permissible under Section 603(a) of the New York Not-for-Profit Corporation Law, New York Executive Order 202, or otherwise under New York law. Councillors shall receive no less than 14 calendar days’ advance notice that a meeting will be held as a “virtual meeting” and no less than 21 calendar days’ advance notice that a meeting will be held as a “hybrid meeting,” and such notice shall provide instructions for participating and voting in such a meeting, including dial-in instructions for those Councillors who do not have technology that permits access to a video conference. The Council may adopt by-laws or rules of procedure not otherwise inconsistent with this Constitution regulating the credentialing, participation, and voting of Councillors attending by means of electronic communication in either such meeting.
- 4.24 The presence of a majority of the Councillors entitled to vote (whether “present” physically or by telephonic or electronic means pursuant to Article 4.8) at the commencement of each meeting shall constitute a quorum.

Such determination shall be made by any of the following procedures:
- 10.7.1 by a majority vote of the Management Board; or
- 10.7.2 by a majority vote of the Council, with only members who were not parties to such action and not involved in such claim of liability, suit or proceedings, voting; or
- 10.7.3 by independent legal counsel in a written opinion, if so requested either by vote pursuant to Article 10.7.1 or at a meeting of the Council with all members at such meeting entitled to do so voting whether or not disinterested.
