The importance of cooperation and coordination among anti-corruption enforcement authorities in Asia

Cross-border corruption cases increasingly require close cooperation among enforcement authorities, particularly in Asia where diverse legal systems and enforcement capacities coexist. This session will highlight recent regional case studies – including Japan's handling of the Carlos Ghosn/Nissan case and the introduction of plea bargaining – to illustrate both the opportunities and challenges in achieving effective coordination. Legislative developments regarding whistleblower protection, including the June 2025 amendment of Japanese law

Whistleblowing remains one of the most effective tools for detecting corporate misconduct, driving legislative reforms across the globe. In recent years, EU member states have implemented comprehensive whistleblower protection laws under the EU Directive, while the US Department of Justice has strengthened its rewards framework through a new pilot programme. Japan has also moved to enhance protections, following its 2020 reforms to the Whistleblower Protection Act with a further amendment in June 2025 aimed at expanding coverage and reinforcing safeguards. This session will explore these developments, compare approaches across jurisdictions and consider their implications for compliance programmes, investigative practices and corporate culture in Asia and beyond.

Reality of anti-corruption in Asia, including China, India and South Korea

Asia presents a diverse and evolving anti-corruption landscape, with each jurisdiction facing unique enforcement challenges. In China, the recent amendment to the Anti-Unfair Competition Law has expanded tools for addressing commercial bribery and strengthened penalties, reflecting a continuing focus on market integrity. In South Korea, political turbulence remains high-profile, with both a former president and a former first lady facing criminal proceedings – illustrating the reach of anti-corruption enforcement into the highest levels of power. In India, many foreign companies still struggle with bribery risks despite a robust legislative framework, raising questions about enforcement consistency and corporate liability. This session will provide a comparative overview of these developments, offering practical insights for companies and counsel navigating anti-corruption compliance across these key Asian markets.

Trump, the FCPA and the future of global anti-corruption enforcement

The Trump administration's reported suspension of Foreign Corrupt Practices Act (FCPA) enforcement has sparked debate over the future of global anti-corruption efforts. Long regarded as the driving force behind international enforcement standards, the FCPA's slowdown raises questions about whether other jurisdictions – including the Brazil, France, the UK and key Asian economies – will step in to fill the gap. This session will explore the political context, the potential shift in global enforcement leadership and the implications for multinational companies navigating an evolving cross-border compliance landscape.

Anti-corruption compliance and governance, including the critical roles of in-house counsel and outside directors

Effective anti-corruption compliance is inseparable from strong corporate governance. This session will examine how governance structures – including the active engagement of outside directors – can reinforce corporate integrity, prevent situations where short-term profit is prioritised over compliance obligations and ensure accountability at all levels. Panellists will discuss how in-house counsel and outside directors can work together to design, implement and oversee robust compliance programmes, strengthen internal audit functions and align business strategy with ethical and legal standards. Real-world case studies from Asia and beyond will highlight best practices for fostering a governance culture that supports transparent decision-making, proactive risk management and credible engagement with enforcement authorities in multi-jurisdictional contexts.

Internal investigations in corruption cases, including the use of AI and legal tech

This session will explore best practices for planning and conducting corruption-related investigations, from initial fact-finding to evidence preservation and reporting. The IBA cannot accept responsibility for hotel accommodation disputes between a delegate and the hotel.

Unauthorised accommodation agents

It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering 'assistance' with conference and hotel bookings.

They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition. Please ignore any communication that does not come directly from the IBA.

Disabled access

The Peninsula Tokyo is wheelchair accessible. Please notify us if you require special assistance.

Continuing Professional Development /Continuing Legal Education

For Conference delegates from jurisdictions where CPD/CLE is mandatory, the IBA will provide a Certificate of Attendance for the Conference. Subject to CPD/CLE requirements, Conference delegates can use this to obtain the relevant number of hours' accreditation. The number of CPD/CLE hours available may vary depending on the rules applied by the members' bar association/law society on time recording criteria.

A Certificate of Attendance is available to Conference delegates on request. Please ask at the IBA Conference registration desk for information on how to obtain the certificate.

Terms and Conditions

All conference delegates must provide full and accurate information regarding their identity and contact information. Failure to do so will result in their conference booking being cancelled.

Full payment must be received to obtain your Conference documentation.

Cancellation of conference or social functions

If cancellation is received by email to Sohyun.kwon@int-bar.org on or before the early-registration deadline date, fees will be refunded less a 15 per cent administration charge.

Cancellations received after the early-registration deadline date and up to 14 days prior to the first day of the Conference, will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA. Monies cannot be kept on IBA member accounts or transferred to future IBA conferences.

We regret that no refunds can be made after this time. Conference or social function bookings received after this time will not be eligible for any refund of fees. Should you have difficulties in obtaining your visa and are not able to attend the Conference this cancellation policy will still apply.

Payment

When booking the Conference, full payment of the booking fee is required at the time we accept your booking.

VAT will be added to delegate fees as appropriate. Our prices may change at any time, but any price change will not affect bookings that we have confirmed with you. Booking fees for the Conference can only be paid in the booking fee currency listed above.

Credit card payments: The IBA accepts these payment methods: American Express, Diners, Discover, JCB, Maestro, Mastercard, UnionPay, and Visa. Payments from local or affiliate services linked to these providers can also be made through the IBA website.

It is the responsibility of the cardholder to ensure that the card's security details are ready and to check that there is a sufficient balance on the card for the payment to complete.

All fees payable to us by you in relation to the Conference shall be paid free and clear of all deductions or withholdings whatsoever.

If any deductions or withholdings are required by law to such fees, you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

Travel arrangements and visas

Participants are responsible for making their own travel arrangements to attend the Conference. It is recommended that you check any visa requirements with your local embassy or consulate. In particular, participants should inform themselves of the entry requirements (i.e. visa requirements) of the event location and complete the necessary formalities in good time before the event begins. The IBA will not be liable if a visa application is denied, a visa is received too late to attend, or if a delegate is not able to travel to the Conference for any other reason.

We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your booking form and full payment of conference fees.

Please apply for your visa in good time.

Carbon efficient travel

With IBA conferences taking place in major business centres all over the world, travel is an unavoidable reality for our delegates. The IBA encourages its members and delegates to be responsible and conscious of the impact travel has on the environment and to take measures to reduce the carbon impact of their travel.

Some suggested steps that delegates can take include:

- Travel by train instead of flying if possible.
- Book direct flights instead of connecting flights, if available, as limiting the number of stops needed will reduce your carbon footprint.
- Consider the impact of the travel class that you book – business class travel equates to 3 times the carbon footprint of economy class.

Relying on the local public transport is the more carbon friendly option, but this is not always a realistic option. Where reliance on taxis/cars is needed use electric vehicles over petrol or diesel and share vehicle usage with other delegates and colleagues.

Badges

For security reasons, name badges are required to be worn visibly at all times during the Conference and at any IBA organised social function linked to the Conference. Proof of identity is required to collect your badge and for a replacement badge to be issued. Checks will be in place and staff will challenge delegates not wearing a valid conference badge. Anyone not wearing a badge must get a replacement badge from IBA staff or will be required to leave the venue immediately. Anyone found wearing a badge that they are not entitled to wear will have the badge removed and will be required to leave the Conference.

All conference bookings are non-transferable and cannot be resold, transferred or passed on to another person, whether for commercial gain or otherwise.

Name badges can only be used by the booked attendee to access the event or social function; name badges cannot be shared or borrowed by any other person, whether registered for the event or otherwise.

Any breach of these terms will result in the booked attendee being required to leave the event / social function with immediate effect and the cancellation of their booking without reimbursement or refund of any previously paid fees.

Dietary requirements

The IBA endeavours to accommodate all special dietary requests confirmed to us before bookings close. Requests made after this time cannot be guaranteed and all dietary requests are subject to local availability (which is outside the IBA's control).

Photography and filming

Certain sessions and social functions at an IBA Event may be photographed or filmed and some of this content may be used for future IBA marketing materials, member communications, products or services. Should you have any concerns about this, or if you do not wish to be featured in any of these materials, please contact the IBA Marketing Department at ibamarketing@int-bar.org.

No participant, attending in any capacity, is authorised to record or film the conference working sessions, workshops or social function without the prior written permission of the Conferences Director.

Illness

You will not attend the Conference if you are displaying symptoms of a communicable disease. Should you develop symptoms during your attendance, you will inform a member of IBA staff by email (Sohyun.kwon@int-bar.org) and you agree not to attend any further sessions or related events and to comply with all local and national restrictions.

You agree that, if asked by the relevant local or national authorities, the IBA has permission to pass on your personal information and contact details to those authorities should contact tracing be required.

Promotional literature

No individual or organisation may display or distribute publicity material or other printed matter during an IBA Event, unless by prior arrangement with the IBA. Organisations and companies wishing to discuss promotional opportunities should contact the IBA Sponsorship Department at sponsorship@int-bar.org.

Conference sell-outs

The IBA hosts conferences in venues of a suitable size for each event; however, there are times when a conference may sell out and the IBA cannot guarantee places will be available. Should this happen, prospective delegates will be informed, and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving booked delegate cancellations. The waiting list for the Conference will close once the waiting list has reached ten per cent of the venue capacity, as it is very unlikely a place will become available. IBA will not be liable for any expenses or costs incurred by you (including travel and accommodation costs) in relation to attendance at the Conference, including if you travel to the Conference without a confirmed place).

Harassment

Conferences provide unrivalled professional development and network-building opportunities for international legal practitioners and their professional associates. The IBA values the participation of every delegate and member of the IBA and wants all attendees to have an enjoyable and fulfilling experience. Accordingly, all Conference attendees are expected to show respect and courtesy to other attendees, IBA staff and those involved with hosting the events throughout the Conference and at all events, receptions, and parties, whether officially organised by the IBA or others. All delegates, guests, attendees, speakers, exhibitors, staff and volunteers at the Conference are required to conform to the IBA Harassment Policy. See www.ibanet.org/iba-harassment-policy.

Cancellation by the IBA

We may at any time, with or without giving notice, in our absolute discretion and without giving any reason, cancel or postpone the Conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, we will not be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will we return any money paid to us in connection with the Conference unless we are satisfied not only that the money in question remains under our control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

The IBA shall have no liability to you, for a refund or otherwise, where the IBA is forced to cancel or reschedule part or all of the Conference due to reasons beyond our reasonable control. However, refunds may be paid at IBA's discretion.

IBA will be entitled to change the venue and make minor changes to the timing and content of the Conference.

The IBA, its officers and staff accept no responsibility for any views expressed, presentations or materials produced by delegates or speakers at the Conference.

Full **Conference and Events Terms and Conditions** apply.

NOZOMI

Nozomi Sogo Attorneys at Law

In the Japanese language, “Nozomi” signifies “hope.” At Nozomi, we are dedicated to serving as experts who fulfill our clients’ “Nozomi”

We stand by our four pillars of the “Nozomi Philosophy”

HIGH EXPERTISE

Nozomi has several attorneys with front-line experience at the Public Prosecutor's Office, the Financial Services Agency, the Bank of Japan, the Securities and Exchange Surveillance Commission, the Japan Fair Trade Commission, and other authorities, and through secondments to these authorities, we always aim to pursue active expertise that goes beyond what is on the table. In addition to the authorities, we also emphasize experience as lawyers within organizations, such as within corporations and municipalities, as well as secondments to overseas law firms. We put in the time and effort on authoring articles and books and offering seminars to maintain our competence and to keep up with the changes in the laws.

SPEED AND FLEXIBILITY

Speed is important in any project. We always strive to proceed with speed, backed by our expertise. At the same time, we also emphasize the flexibility that only a medium-sized firm can offer. We can flexibly respond to the case and the client's circumstances, taking advantage of the freedom that comes with being a medium-sized firm, such as which attorneys will work as a team and how the fee structure will be set.

BEST PARTNERSHIP

To fulfill the “Nozomi” of our clients, we will be there for, and think and move forward together with our clients. By maintaining open and frequent communication with our clients, we aim to gain a comprehensive understanding of their companies and industries. This understanding enables us to deliver services that not only reflect our clients' unique situations but also genuinely meet their specific needs.

DRIVING FORCE

We strive to see smiles on all of our clients' faces.
We work on our cases everyday so that we can hear our clients say,
“Nozomi makes us happy!”
