Important visa information for international participants of the Fifth IBA India Litigation and ADR Symposium 2026

International participants (non-Indian nationals) who require a visa to attend the Symposium should apply for an **e-Business Visa (e-B5 V)**. [Click here](#) to check whether your country is eligible for an Indian e-Visa.

To apply for the visa, participants will need to obtain political clearance from the Ministry of External Affairs of India. The IBA can assist by obtaining this clearance on behalf of registered participants.

As the political clearance process can take up to **10 working days from the date the IBA receives the required passport details**, participants who require this clearance are kindly requested to provide the following information to **Sohyun Kwon** at sohyun.kwon@int-bar.org as soon as they have completed their conference registration:

- Full name
- Nationality
- Country of birth
- Passport number
- Passport issue and expiry dates (DD/MM/YYYY)
- Professional credentials and details, including details of their parent organisation

Once the political clearance has been obtained, Sohyun Kwon will send participants the following documents for submission as part of their visa application:

- Political clearance from the Ministry of External Affairs
- Permission from the Ministry of Home Affairs
- Visa letter signed by the Symposium Co-Chairs

Please ensure that all the required information is provided promptly to Sohyun to allow sufficient time for the political clearance process before applying for your visa.

For full details of the e-Visa requirements and to submit an e-Visa application, please visit the [official Indian e-Visa website](#).

All participants are responsible for checking the visa requirements and processing times applicable to their individual circumstances and ensuring that they obtain the necessary visas and permissions to enter India.
