1200 – 1315  Digital economy – has Europe gone too far or not far enough? Will others follow, and what’s next?
All eyes have been on Europe over the last month to see where the ambitious Digital Markets Act Regulation would end up. The European Commission certainly sees its final text as a success and has high hopes of the impact it will have by strengthening competition with ‘gatekeepers’. But how realistic is it for ex-ante regulation to boost competition, how will it affect innovation, and what will other regulators do to complement or replicate the European Commission’s efforts? With consideration towards other regions, in the United States, what’s the latest status and thinking under the Biden administration? What’s going on in Asia and Latin America?

DISCOVER LEGAL EFFICIENCY
1500 – 1515  
**Competition law enforcement in Ukraine**  
Merger control reform and recent practice, and the challenges of enforcement during wartime.

**Speaker**  
Olha Pishchanska  
Chair, Antimonopoly Committee of Ukraine, Kyiv

1515 – 1630  
**Merger control – new and bigger nets to catch more fish?**

Merger control – which used to be a relatively predictable area of competition law – is now undergoing major developments all around the globe including in Europe. The days of a light touch approach in a ‘night-watchman state’ are clearly over: competition authorities globally and in Europe are getting ever stronger powers to review an ever-wider range of transactions (including new types of thresholds, stronger referral powers and the reversal of the burden of proof). How can companies navigate in these stormy waters? Are only tech and pharma companies in focus? How should authorities approach these new challenges? Can a workable balance be struck?

**Moderators**

AZB & Partners, Noida, Uttar Pradesh; Membership Officer, IBA Antitrust Section

1630 – 1700  
**Coffee/tea break**

1700 – 1815  
**The new frontier of collective actions – can Europe avoid the pitfalls experienced in the US and elsewhere?**

With the growth in private litigation in Europe the panel will examine the rise of collective redress and class actions, and explore trends, challenges and differences in approach around the world (particularly in the US and Israel). It will also consider the implications of the EU Damages Directive; and how to avoid killing the golden goose (preserving the benefits of leniency).

**Moderators**

Intel Corporation, Santa Monica, California; North American Regional Representative, IBA Antitrust Section

Carolyn Oddie  
Allens, Sydney, New South Wales; Working Group Officer, IBA Antitrust Section

0900 – 1300  Registration

0930 – 1000  Keynote address

Introduction
Thomas Janssens  Freshfields Bruckhaus Deringer, Brussels; Co-Chair, IBA Antitrust Section
Daniel Swanson  Gibson Dunn & Crutcher, Los Angeles, California; Co-Chair, IBA Antitrust Section

Speaker
Margaret Goodlander  Deputy Assistant Attorney General for Policy, International, and Appellate, DoJ Antitrust Division, Washington, DC

1000 – 1115 Abuse of dominance after Intel – is enforcement dead in the water?

The panel will look at the implications of the European Union (EU) General Court’s 2022 Intel judgment on enforcement of rebates and abuse of dominance more generally. The judgment resulted in a complete annulment of the European Commission’s decision that had found Intel's rebates anticompetitive and found that the Commission must perform an effects-based analysis which, in this case, didn’t reach the requisite standard.

Has the Court made the standard of proof so strict that the Commission can no longer pursue such conduct except in exceptional, very clear-cut circumstances? Must the Commission always apply an ‘As Efficient Competitor’ test? Does this law only apply in situations of rebates or does it extend to any unilateral conduct? What are the implications for future enforcement? What is the relevant experience in other jurisdictions? The panel will examine the implications of the judgment in Europe and beyond.

Moderators
Kyriakos Fountoukakos  Herbert Smith Freehills, Brussels; Vice Chair, IBA Antitrust Section
Janet Hui  JunHe, Beijing; Senior Vice Chair, IBA Antitrust Section

Panellists
Daniel Beard QC  Barrister, Monckton Chambers, London
Oliver Bethell  Director, EMEA Competition, Google, London
Matt Hunt  EMEA Managing Director, AlixPartners, London
Dr Petra Linsmeier  Head of Antitrust, Gleiss Lutz, Munich

1115 – 1145  Coffee/tea break

1145 – 1230  Interview

Interviewer
Michael Reynolds  Allen & Overy, Brussels; Honorary Life Member of IBA Council and Association

Interviewee
Scott D Hammond  Gibson Dunn & Crutcher, Former DoJ Antitrust Division Deputy Assistant Attorney General for Criminal Enforcement, Washington, DC

1230  Closing remarks
Thomas Janssens  Freshfields Bruckhaus Deringer, Brussels; Co-Chair, IBA Antitrust Section
Daniel Swanson  Gibson Dunn & Crutcher, Los Angeles, California; Co-Chair, IBA Antitrust Section

The IBA, its officers and staff accept no responsibility for any views expressed, presentations or materials produced by delegates or speakers at the Conference.

Continuing Professional Development/Continuing Legal Education

For Conference delegates from jurisdictions where CPD/CLE is mandatory, the IBA will provide a Certificate of Attendance for the Conference. Subject to CPD/CLE requirements, Conference delegates can use this to obtain the relevant number of hours' accreditation. The number of CPD/CLE hours available may vary depending on the rules applied by the members’ bar association/law society on time recording criteria.

A Certificate of Attendance is available to Conference delegates on request. Please ask at the IBA Conference registration desk for information on how to obtain the certificate.

The organisers may at any time, with or without giving notice, in their absolute discretion and without giving any reason, cancel or postpone the Conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, neither the organisers nor any of their officers, employees, agents, members or representatives shall be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will they return any money paid to them in connection with the Conference unless they are satisfied not only that the money in question remains under their control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this ‘Information’ section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a ‘first come, first served’ basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

Photography and filming

Certain sessions and/or social functions may be photographed and/or filmed and some of this content may be used for future IBA marketing materials, member communications, products or services. Should you have any concerns with regard to this, or do not wish to be featured in any of these materials please contact the IBA Marketing Department at ibamarketing@int-bar.org.

Promotional literature

Please note that no individual or organisation may display or distribute publicity material or other printed matter during the Conference, unless by prior arrangement with the IBA. Organisations and companies wishing to discuss promotional opportunities should contact the IBA Sponsorship Department at sponsorship@int-bar.org.

Cancellation of registration or social functions

If cancellation is received in writing at the IBA office by Friday 26 August, fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA.

We regret that no refunds can be made after this date. Registrations or social function bookings received after Friday 26 August will not be eligible for any refund of fees. Please note that the IBA will however offer a full refund if you are required to cancel your registration due to Covid related reasons; we will require written confirmation of your cancellation by the end of business on the first day of the conference.

Should you have difficulties in obtaining your visa and are not able to attend the Conference this cancellation policy will still apply.

Upon submission of your completed Conference registration form to the IBA you are considered ‘registered’ pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Provided you have cancelled your registration to attend an IBA Conference in accordance with the terms of the ‘cancellation of registration’ clause included in the ‘Information’ section of the relevant Conference programme, you must then confirm to us in writing at the IBA office as soon as possible, but in no event later than one year (12 calendar months) from the date of any such Conference, all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant Conference.

Travel arrangements and visas

Participants are responsible for making their own travel arrangements. It is recommended that you check your visa requirements with your local embassy or consulate. We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your registration form and full payment of registration fees.

**Unauthorised accommodation agents**
It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering ‘assistance’ with registration and hotel bookings. They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition.

The only Accommodation Agent the IBA works with is Judy Lane ICS. Judy Lane ICS do not contact delegates on behalf of the IBA without delegates making initial contact. Please ignore any communication that does not come directly from the IBA or Judy Lane ICS.

The International Bar Association (IBA), established in 1947, is the world’s leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to-date information, enabling them to better represent their clients’ interests.

Through its various committees, fora and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

**IBA Antitrust Section**

The Antitrust Section provides an international forum for thought leadership with respect to antitrust law developments and the profession through submissions to competition agencies, training programs/missions, developing the law through our conferences, publications, and interaction with antitrust enforcement authorities and the profession.

In addition, there is a strong commitment to bring together international practitioners to facilitate closer working relationships. The Section is increasingly relied upon by government officials and members of the private sector for its expertise and practical input into antitrust developments, including through its Working Group submissions.
