27th Annual IBA Global Insolvency and Restructuring Conference – New frontiers and challenges for international restructuring and insolvency

13–14 June 2022, Montreal

We are extremely pleased to announce the next IBA Global Insolvency and Restructuring Conference. It is a must attend event featuring a series of business insolvency issues analysed and discussed by leading professionals. The conference is designed to familiarise attendees with insights into developments in the law of business insolvency, especially as it relates to cross-border matters and, through interaction at the programming and related social events, to develop a worldwide network of lawyers practicing in their field.

Topics will include:

• Not your traditional restructuring;
• cross-border restructurings: why my jurisdiction is best;
• intersection of regulatory/public policy and debt obligations in an insolvency proceeding – who takes priority?;
• insolvencies in the automotive sector: what have we learned from past experiences?; and
• Evergrande and beyond: the challenges facing China’s real estate developers.

0900–1000  Session 3: Intersection of regulatory/public policy and debt obligations in an insolvency proceeding – who takes priority?
The panel will examine the possible ways to balance the priority of the public regulatory compliance responsibilities of businesses with private credit claims in insolvencies. The discussion will be also focused on the treatment of court-ordered charges in a restructuring, taking into consideration the need for the right balance between protecting existing stakeholders from further erosion and ensuring the debtor has the tools necessary to facilitate a restructuring. The topic at hand mainly concerns such issues as the status of specific obligations of the debtor or bankrupt provided by public regulatory bodies or courts (including in respect to environmental damages, etc.), autonomy of the administrator(s) regarding the extent of assets of the debtor versus rights of (other) creditors and stakeholders and similar issues.

The need for financial restructuring and for structural changes to respond to wider shifts in customer demand and industry challenges. In this context, the discussion will also focus on the impact of the electric automobile subsidies on the industry.

1330–1430  Session 5: Evergrande and beyond: the challenges facing China’s real estate developers
Chinese real property developers appear to be over indebted – with more than $100 billion in debt maturing in 2022 alone. The largest developer – Evergrande – is already in default. The panel will discuss, among other things, the causes of this sector’s distress, the cross-jurisdictional nature of the developers, whether some developers are ‘too big to fail’ and the ‘on-shore’ versus ‘off-shore’ dynamic that is likely to play out based upon the capital structures common in this sector.

Moderator
Timothy Graulich  Davis Polk & Wardwell, New York City; Co-Chair, Insolvent Financial Institutions Subcommittee, IBA Insolvency Section

Speakers

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this ‘Information’ section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have been had no such deductions or withholdings been required.

Conference sell-outs
The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a ‘first come, first served’ basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

Cancellation of registration
If cancellation is received in writing at the IBA office by 9 May fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA. We regret that no refunds can be made after this date. Registrations received after 9 May will not be eligible for any refund of fees. Please note that the IBA will however offer a full refund if you are required to cancel your registration due to Covid related reasons; we will require written confirmation of your cancellation by the end of business on the first day of the conference.

Should you have difficulties in obtaining your Visa and are not able to attend the Conference this cancellation policy will still apply.

Upon submission of your completed Conference registration form to the IBA you are considered ‘registered’ pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Provided you have cancelled your registration to attend an IBA Conference in accordance with the terms of the ‘cancellation of registration’ clause included in the ‘Information’ section of the relevant Conference programme, you must then confirm to us in writing at the IBA office as soon as possible, but in no event later than one year (12 calendar months) from the date of any such Conference, all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant Conference.

Travel arrangements and visas
Participants are responsible for making their own travel arrangements. It is recommended that you check your Visa requirements with your local embassy or consulate. We are unable to dispatch visa invitation letters to support your Visa application prior to receipt of your registration form and full payment of registration fees.

Please apply for your Visa in good time.

Unauthorised accommodation agents
It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering ‘assistance’ with registration and hotel bookings. They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition. The IBA is not using any travel or accommodation agents for this conference. To make your reservation please contact the hotel directly. This is the only official accommodation booking system.
The organisers may at any time, with or without giving notice, in their absolute discretion and without giving any reason, cancel or postpone the conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, neither the organisers nor any of their officers, employees, agents, members or representatives shall be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will they return any money paid to them in connection with the conference unless they are satisfied not only that the money in question remains under their control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

International Bar Association
the global voice of the legal profession

The International Bar Association (IBA), established in 1947, is the world’s leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to-date information, enabling them to better represent their clients’ interests.

Through its various committees, fora and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

IBA Insolvency Section overview
The Insolvency Section of the IBA is the most prominent international association of lawyers interested in restructuring, insolvency and creditors’ rights law, as well as related company law, transactional and litigation practices.

Its principal goals are to:

- provide a forum, at conferences twice a year (the IBA’s annual conference and the Insolvency Section’s own conference, usually in May), for substantive educational sessions presented by genuine experts on the most cutting-edge issues in restructuring, insolvency and creditors’ rights;
- create a lively network of lawyers (private practitioners, corporate counsel, judges, academics and law reform opinion leaders) from common and civil law systems in developed, emerging and formerly centrally controlled economies; and
- contribute to the reform and harmonisation of insolvency (and related) laws through permanent expert delegations to organisations such as the United Nations Commission on International Trade Law (UNCITRAL), the World Bank and the International Monetary Fund.
