### Around the tables: a taste of hot topics

Consisting of four sessions over two days, these very dynamic and well-attended sessions enable you to select from a menu of hot topics in the IP, private M&A and technology sectors and participate in roundtable discussions.

Topics of current interest are selected to stimulate a lively debate. Moderators on each table introduce the table topic and the

participants do the rest. Background knowledge or experience within areas for discussion is not required. Our menu will include hot and 'late breaking' topics in the areas of intellectual property law, privacy and data protection, mergers and acquisition and financing.

Discussion is usually around the interface of law, business, technology and culture, with a global focus. Many topics for discussion are often the subject of considerable public and media interest. In participating in the table topics, you will gain a deeper insight into these areas and be able to add your own comments.

The format is interactive networking. The sessions will provide you with a great opportunity to meet many other lawyers and to discuss topics of mutual interest with them; don't forget your business cards, e-cards and contact details to share. We welcome new participants in these discussions.

Participants should select two round table topics per session with 25 minutes at each table.

The IBA, its officers and staff accept no responsibility for any views expressed, presentations or materials produced by delegates or speakers at the Conference.

The organisers may at any time, with or without giving notice, in their absolute discretion and without giving any reason, cancel or postpone the Conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, neither the organisers nor any of their officers, employees, agents, members or representatives shall be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will they return any money paid to them in connection with the Conference unless they are satisfied not only that the money in question remains under their control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

### **Continuing Professional Development/Continuing Legal Education**

For Conference delegates from jurisdictions where CPD/CLE is mandatory, the IBA will provide a Certificate of Attendance for the Conference. Subject to CPD/CLE requirements, Conference delegates can use this to obtain the relevant number of hours' accreditation. The number of CPD/CLE hours available may vary depending on the rules applied by the members' bar association/law society on time recording criteria.

A Certificate of Attendance is available to Conference delegates on request. Please ask at the IBA Conference registration desk for information on how to obtain the certificate.

### **IBA Harassment Policy**

IBA IBA conferences provide unrivalled professional development and network-building opportunities for international legal practitioners and their professional associates. The IBA values the participation of every delegate and member of the IBA and wants all attendees to have an enjoyable and fulfilling experience. Accordingly, all Conference attendees are expected to show respect and courtesy to other attendees, IBA staff and those involved with hosting the events throughout the Conference and at all Conference events, receptions, and parties, whether officially organised by the IBA or others. All delegates, guests, attendees, speakers, exhibitors, staff and volunteers at any IBA event are required to conform to the IBA Harassment Policy.

### Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

### Cancellation of registration or social functions

If cancellation is received in writing at the IBA office by **6 January 2023** fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA.

We regret that no refunds can be made after this date. Registrations or social function bookings received after **6 January 2023** will not be eligible for any refund of fees.

---

### Travel arrangements and visas

Participants are responsible for making their own travel arrangements. It is recommended that you check your visa requirements with your local embassy or consulate. **We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your registration form and full payment of registration fees.**

**Please apply for your visa in good time.**

### Hotel accommodation

The IBA does not have a room block however if you wish to book accommodation at the Hilton Santa Monica hotel please make your reservation by contacting the hotel directly.

Delegates are responsible for making accommodation reservations directly with the hotel and entering into an agreement with the hotel regarding credit card guarantees, cancellation terms and conditions, and room rates. The IBA cannot accept responsibility for hotel accommodation disputes between a delegate and the hotel.

---

### Photography and filming

Certain sessions and/or social functions may be photographed and/or filmed and some of this content may be used for future IBA marketing materials, member communications, products or services. Should you have any concerns with regard to this, or do not wish to be featured in any of these materials please contact the IBA Marketing Department at [ibamarketing@int-bar.org](mailto:ibamarketing@int-bar.org).

### Promotional literature

Please note that no individual or organisation may display or distribute publicity material or other printed matter during the Conference, unless by prior arrangement with the IBA. Organisations and companies wishing to discuss promotional opportunities should contact the IBA Sponsorship Department at [sponsorship@int-bar.org](mailto:sponsorship@int-bar.org).

---

### No deductions or withholdings

All fees payable to us by you in accordance with the terms contained in this 'Information' section shall be paid free and clear of all deductions or withholdings whatsoever.

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this 'Information' section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have been had no such deductions or withholdings been required.

Should you have difficulties in obtaining your visa and are not able to attend the Conference this cancellation policy will still apply.

Upon submission of your completed Conference registration form to the IBA you are considered 'registered' pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Provided you have cancelled your registration to attend an IBA Conference in accordance with the terms of the 'cancellation of registration' clause included in the 'Information' section of the relevant Conference programme, you must then confirm to us in writing at the IBA office as soon as possible, but in no event later than one year (12 calendar months) from the date of any such Conference, all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant Conference.

---

### Unauthorised accommodation agents

It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering 'assistance' with registration and hotel bookings.

They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition. The **only** Accommodation Agent the IBA works with is Judy Lane ICS. Judy Lane ICS do not contact delegates on behalf of the IBA without delegates making initial contact. Please ignore any communication that does not come directly from the IBA or Judy Lane ICS.

# International Bar Association

the global voice of the legal profession

The International Bar Association (IBA), established in 1947, is the world's leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to date information, enabling them to better represent their clients' interests.

Through its various committees, fora and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

## **IBA North American Regional Forum**

The IBA's North American Regional Forum brings together North American lawyers who share many concerns and interests and a common perspective in many areas. These include (i) North American business law issues in core areas of corporate commercial and financial law such as banking, finance, securities, M&A, corporate, restructuring; (ii) trade issues like NAFTA, foreign investment, competition; (iii) issues in key industrial and business sectors in North America such as automotive, high-tech, medical, pharmaceutical, telecom, agri-business, mining, energy, and other natural resources; international tax issues; and (v) litigation and dispute resolution, including class action proceedings.

In addition, the Forum deals with topical 'rule of law' issues of special concern to the North American world, such as the extra-territorial application of competing national rules (e.g., in respect of trade with Cuba), border and homeland security, foreign corrupt practices, investment restrictions, human rights and the jurisdiction of North American courts over claims based abroad.

The Forum aims to ensure that IBA programmes reflect issues of particular concern to North American lawyers, that North American members of IBA are fully represented on IBA panels and programmes and within the executive and officer structure of the IBA's 15 legal practice sections and its over 50 committees and fora.
