Dear Mr Irukera

RE: NIGERIAN MERGER CONTROL REGIME

We understand that pursuant to publication of the Nigerian merger control regime, the Nigeria Federal Competition and Consumer Protection Commission has indicated that it welcomes engagements from stakeholders on the regime.

Accordingly, the IBA Antitrust Committee, as a body which is broadly representative of the global antitrust community, has prepared the enclosed submission for your consideration.

The Co-Chairs and representatives of the Antitrust Committee would be delighted to discuss the enclosed submission in more detail with representatives of the Nigeria Federal Competition and Consumer Protection Commission.

Yours sincerely
